

JUAN JOSÉ MADRIGAL MARTÍNEZ

Madrid, Spain
(+0034) 600 86 32 48

juanjomadrigal326@gmail.com
[LinkedIn](#) [GitHub](#) [Kaggle](#) [Udacity](#)

Mathematician interested in Educational Technology, willing to explore new ways to bring advanced Mathematics to the world. Especially gifted for

- Understanding and mastering Mathematics, interrelating all areas and branches
- Lecturing and teaching difficult or abstract concepts, both for beginners and experienced
- Remarkable quick learning

SKILLS

Programming Languages: Python

Version Control Systems: Git & GitHub

Machine Learning: SciKitLearn

Operating Systems: Linux, Windows

Mathematics Softwares: SageMath, Mathematica

Web Design: HTML5 / CSS3 / JS

Typesetting: \LaTeX

Languages: Native Spanish, Proficient English, German and French

PROJECTS

Creating Customer Segments [Udacity MLND - Customer Segments Project](#) Nov. 2016

- Successfully implemented in **python** using the libraries of **SciKitLearn**
- Used **PCA** and **Gaussian Mixture Model**
- Reached **0.41** Silhouette Score for clustering

Train a Smartcab to Drive [Udacity MLND - Smartcab Project](#) Dec. 2016

- Successfully implemented in **python** and **pygame**
- Reached **A** Ratings for Safety and Reliability

EXPERIENCE

CEO of Mathifold Project <http://mathifold.org/> Madrid | March 2014 - Present
[free, open-source online mathematics for students, teachers and workers]

- Leading **15+ collaborators** including **mathematicians**, **computer scientists** and **engineers**
- Added **250+ posts** including **theory**, **exercises**, **animations** and **applets**, among other useful materials
- Recorded **800+ users** and **12000+ views** in the last 3 months

Lecturer & Tutor at Faculty of Mathematics UCM | Sept. 2014 - Present

- Lectured *Intro to Mathematics*, *Linear Algebra*, *Real Analysis*, *Probability & Statistics*, *Algebraic Topology*
- Taught and tutored **200+ students** both for **undergraduate and graduate courses**

EDUCATION

Udacity Machine Learning Nanodegree Udacity | Sept. 2016 - Present

Master in Advanced Mathematics 9.81/10 - 3.75/4 UCM | Sept. 2013 - Jul. 2014

Degree in Mathematics 9.92/10 - 3.87/4 UCM | Sept. 2009 - Jul. 2013

AWARDS

Extraordinary End of Studies Award UCM

Honourable Mention 49th International Mathematics Olympiad, IMO | Madrid | 2008

Gold Medal 44th Spanish Mathematics Olympiad | Valencia, Spain | 2008
